

Story of the World-1 Ancient Times History Plans

Here are the plans I put together for us for next year as we use Sonlight's Core 1. These plans schedule SOTW1 as the spine replacing CHOW, the activity guide for SOTW1 and the history books from Core 1. Also these plans use the Usborne Internet-linked Encyclopedia of History instead of Usborne World History. If you follow the 4-day read-aloud plan it will line up with these plans as much as possible. I scheduled Usborne's *Who Were the Romans* instead of Usborne *Time Traveler* and I also added *Atlantis: The Lost City* and *The Story of Ping* from Core C. If you have any questions please email me at info@elementalscience.com. The following abbreviations were used...
